**pH:** 3.66

**Total SO<sub>2</sub>:** 95

**Free SO<sub>2</sub>:** 35

**Tasting Note:**

Classic Pinot character abound with red fruit, beet, spice and umami earthy components in the 2022 Break-in Pinot Noir. This wine is round on the palate with ample acidity, and a hint of tannin on the finish. A juicy, light red that drinks beautifully on its own, or is well suited as a food pairing with poultry, pork or salmon.
